- Audio output - digital: Coaxial (cinch)
- Video output - analogue: Video (3.5mm jack) 1x
- Connector: 2 x 3.5 mm Headphones
- DC in: 9V

Convenience
- Shock proof
- Battery charging indication

Accessories
- Battery pack: DV 9V, Li-ion rechargeable batteries
- AC/DC adaptor: ADPV18A(110-240v, 50/60Hz)
- Car kit: cigarette outlet adaptor, 12vDC
- Remote control: RC810(credit card style, 38 keys)
- Cables: Audio Cable x1 , Video Cable x1
- User manual: English, French, Dutch,Spanish

Dimensions
- Master carton dimensions: 0 x 0 x 0 mm
- Master carton quantity: 3
- Packaging dimensions (W x H x D): 364 x 77 x 242 mm
- Packaging type: D-box
- Product dimensions (W x H x D): 220 x 29 x 155 mm
- Product weight: 0.9 kg

Product highlights

Plays DVD, DVD+R and DVD+RW

DivX playback
With DivX® support, you will be able to enjoy DivX® encoded videos in the comfort of your living room. The DivX® media format is an MPEG4-based video compression technology that enables you to save large files like movies, trailers and music videos on media like CD-R/RW, memory cards and DVD-video. DivX® CDs can be played back on selected DVD players, DVD Recorders and Home Theatre Systems.

MPEG4 playback
MPEG4 is a compression standard that allows you to record movies that are up to 7 to 10 times smaller than the MPEG2 standard without compromising on the picture and sound quality. MPEG4 media can be saved on a CD-Rom, memory card or DVD disc and can be played back in selective DVD players, DVD recorder and home theatre systems.

Plays CD-RW and MP3-CD

8" TFT LCD

16:9 widescreen format
